Accommodation

- ◆ As most campuses in France, Rennes School of Business does not have halls of residence and therefore all students registered at the school must rent private accommodation. The school and the “Well’ Come” team can help students, if they wish, find accommodation for the duration of their stay in Rennes.
- ◆ Accommodation in Rennes needs planning and booking in advance as it is a university city with over 60,000 French and international students every year. Rents can vary depending on the landlord, the location and the services and equipment provided. Students are therefore strongly encouraged to reserve their accommodation as soon as possible after having been accepted.

Students studying in Leuven during the first semester or for a full academic year are recommended to arrive at least two or three weeks in advance, or to visit Leuven sometime in August and book a room. The week before the start of the academic year is the most difficult time to find both temporary and permanent accommodation. We strongly recommend students to book temporary guest housing themselves, quite a few weeks in advance. 生活費 Living cost	<p>At MIP, we have students coming from all across the world, from many different cities, countries and regions. Milan will seem to some of you like quite an expensive city, whilst to others it will seem more reasonable.</p> <p>In reality, the cost of living in Milan is comparable to many other large European cities. The information below is to give you an idea of how to budget and prepare your living expenses for Milan.</p> <ul style="list-style-type: none"> <li>◆ Housing: Between €400 to €800 per month (average price paid by students has been of €550 per month)</li> <li>◆ Living Expenses: €300 per month</li> <li>◆ Health Insurance: €100 one year</li> <li>◆ Public transports <a href="https://nuovosistematariffario.atm.it/en/">https://nuovosistematariffario.atm.it/en/</a></li> <li>◆ Student Visas Students coming to Italy for a period exceeding 90 days will always need a visa. Students coming for a shorter period may need a visa or may be able to enter Italy with a valid passport only, as tourist, depending on their country of origin. Enquire about your specific circumstances at the Italian Consulate near you.</li> <li>◆ Health Insurance When applying for your visa, you will receive instructions on the health cover you are expected to have for your stay in Italy. If you come for a short period of time and you do not require a visa, it is your responsibility to have insurance that covers you for any accident or emergency during your stay in Milan, including at MIP. If you intend to travel within Europe, make sure that your insurance covers you for the entire Schengen territory.</li> </ul>
