With a Visitor Visa, each student may stay for 60/90 days and apply for a maximum of two extensions, each for 60/90 days.

The extensions should be made within **2 weeks** before the 60/90 days are due. Find more information on [this page](#).

Hong Kong and Macau students should apply for an entry permit through [this page](#).

RESIDENT VISA

Students who are staying in Taiwan for **more than six months (full academic year)** should apply for a [Resident Visa](#).

The Resident Visa must be changed to the Alien Resident Certificate (ARC) within **30 days** after arrival.

NSYSU Course Selection System: <https://selcrs.nsysu.edu.tw/smain.asp?eng=1>

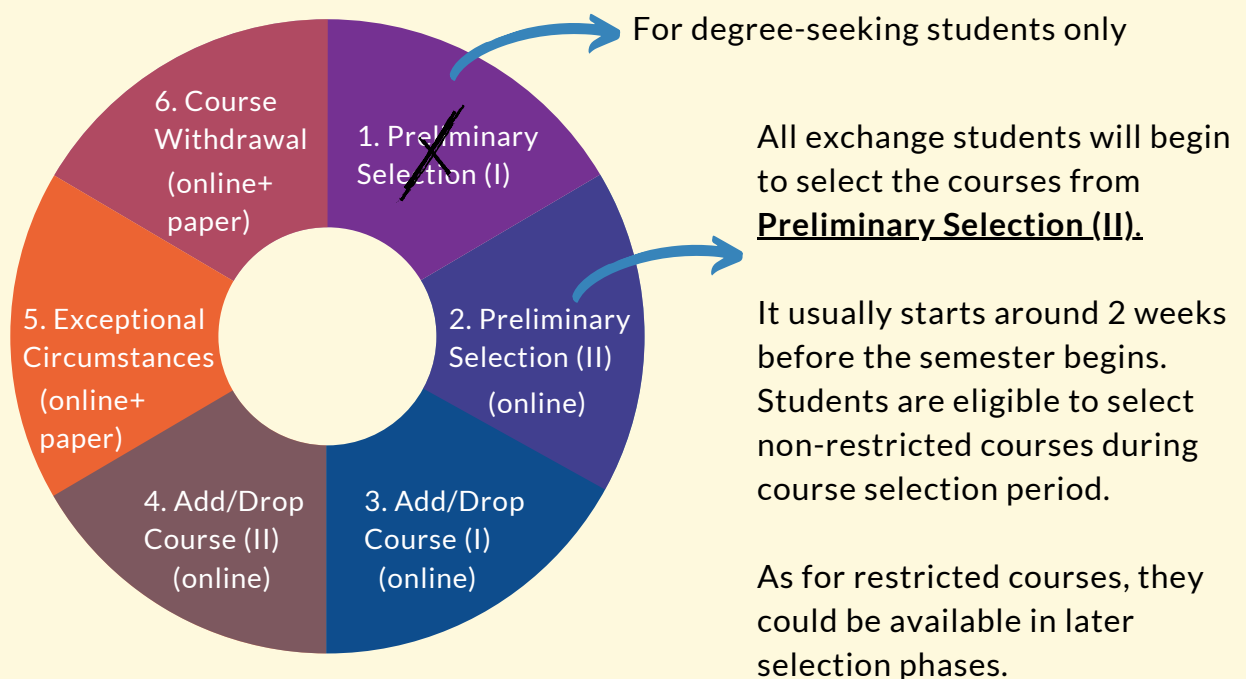

Username: Your student ID number

Password: Your initial password is the first two letters of your given name in capital + your birthday (mm/dd).

E.g. "Hana TING, born on July 1, the password will be HA0701."

Your student ID number and the course selection instructions will be sent around 1 month before the semester begins.

COURSE SELECTION PHASES

Most professors will provide a brief introduction to their course and may open additional slots for interested students during the first weeks. We strongly recommend attending the courses you are interested in during this period, regardless of whether you have already selected them.

Important! Pay close attention to this chapter!

COURSE SELECTION

COURSE SELECTION CODES EXPLANATION

In the course selection system, we use codes to represent the time. You may use the following chart to check the time of courses.

CODE	TIME	CODE	TIME
A	07:00 - 07:50	6	14:10 - 15:00
1	08:10 - 09:00	7	15:10 - 16:00
2	09:10 - 10:00	8	16:10 - 17:00
3	10:10 - 11:00	9	17:10 - 18:00
4	11:10 - 12:00	C	18:10 - 19:00
B	12:10 - 13:00	D	19:10 - 20:00
5	13:10 - 14:00	E	20:10 - 21:00

USEFUL TIPS

1. The course selection process does not run on a first come first serve basis.
2. We will organize a list of English-taught courses for the current semester and update it on the [OIA website](#) before the course selection starts.
3. **Students may select courses from different levels starting from Add/Drop Course (I). Undergraduate students can choose master-level courses. A master's student can choose undergraduate and doctoral-level courses.**
4. **Students may not select courses with an overlapped schedule.**
5. Sports courses are categorized as bachelor-level courses, and we recommend you take Yachting and Aquatic Recreation Activities courses. They are popular among all students.

CHINESE LANGUAGE COURSE

Exchange students can apply for the free Chinese Language Course when applying for the exchange program.

NSYSU provides free Chinese language courses to international exchange students.

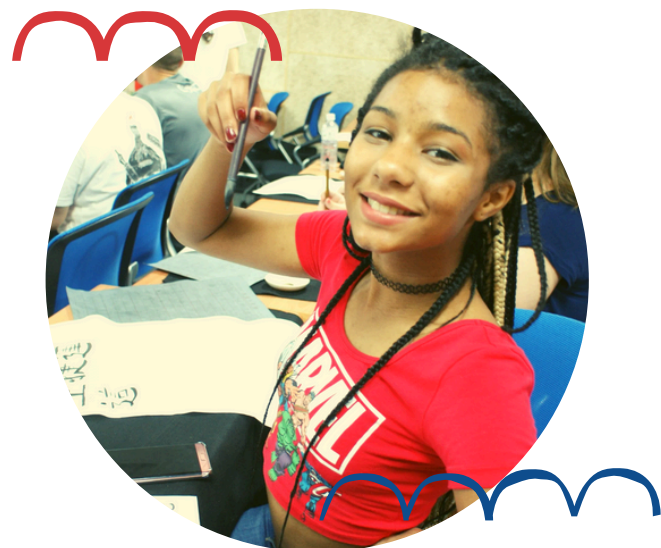

The aim is to provide them with an opportunity to further enhance their Chinese language skills and ease the transition to their life and study in Taiwan.

The Chinese Language Center will assign students to an appropriate level of class per their Mandarin proficiency.

According to our senior students, the Chinese language course is not a course you would like to miss!

Chinese language course is a 3 credits course, 4 hours per week.

Attendance and effort are both important to pass the course!

BEGINNERS CLASS

Students who have applied for the Chinese language course with zero Mandarin bases will be assigned to the beginners class.

The beginners class is held on every Mon. & Thu. or Tues. & Fri., 12:10-14:00. Most exchange students will be assigned to Tuesday & Friday courses.

PLACEMENT TESTS

Students who have learned Mandarin before will need to take placement tests before the semester starts.

The Reading / Writing / Listening Tests will be shared via email, and students will have to complete the tests on time.

If you missed the deadline, the Chinese Language Center will **NOT** assign you to any class!

It is important to attend the Mandarin course in the first week, as you will have only one chance to ask for a level change.

After the first week of classes, the course will be officially registered on your course list.

BUDDY PROGRAM

The Buddy Program aims to help international students adapt to the campus and local life as soon as possible.

WHO ARE THE BUDDIES?

Each semester, we will open the opportunity for current NSYSU students to join the Buddy Program.

They come from different departments and colleges, and they are all volunteers to help with the international students' arrival.

Buddies are assigned to different groups, which are supported by experienced seniors.

Useful Tips

Taiwanese buddies are sometimes shy in social interaction. Give them some time and chances to hang out together. You will find your life in Taiwan easier and more fun with them around.

If you find your buddy not suitable for you, join our activities to meet more local students!

HOW DOES IT WORK?

When there are not enough buddies to assign one to each exchange student, we will open registration for the Buddy Program. Only those who successfully register will be assigned a buddy.

If you are successfully matched with a buddy, your email address will be given to them before the semester starts, and they will contact you with a virtual greeting.

If you registered for the Buddy Program but do not receive any contact two weeks before the semester begins, please inform your OIA coordinator.

HOUSING

Students can apply for on-campus dormitories when applying for the exchange program, but they are not guaranteed.

TRANSPORTATION

DRIVER'S LICENSE

An international driving permit (IDP) is required to drive in Taiwan.

Students from countries that have reciprocal agreements with Taiwan can use their IDP for up to 30 days after arrival. After 30 days, it is required by law to have an International Driving Permit Visa or R.O.C. (Taiwan) Driver's License if they wish to continue driving in Taiwan.

If your country does not have a reciprocal arrangement with Taiwan for an international driving permit, you must sit a written test and take a driver's examination (only applicable for students with ARC). Find more information [here](#).

- You will need an IDP to rent a scooter or car in Taiwan. An IDP for a car **CAN'T** be used for scooters. You must have a scooter driving permit for General Heavy Motorcycles (50–250 cc) to ride a general heavy scooter (most common) in Taiwan.

VEHICLE RENTAL

Please search for a certified company to rent a scooter/car.

Both parties should sign a clear contract. The company should present its valid license, and you should be asked to show your international driving permit.

The rental company should purchase compulsory insurance for vehicles, and **we strongly suggest you buy extra insurance** such as **liability insurance for third parties** and **property damage insurance** in case big amounts of compensation are requested.

Find more information regarding [suggestions on driving in Taiwan](#).

PARKING ON-CAMPUS

You should apply for a parking permit to park your scooter on campus. The fee is 300NTD per year.

If you didn't park your vehicle in designated areas, it could be towed.

Visit the Vehicle Management Committee for applying for the parking permit.

STUDENT ACTIVITIES

The OIA will organize student activities for international and local students each semester!

Seasonal Celebrations

A great chance for international and local students to spend time together.

By the Christmas season, there will be a Christmas gathering. Sometimes it will be combined with the farewell party as it is closed to the end of the semester.

Monkey Ecological Tour

The OIA organizes monkey tours for international students every semester.

The goal is to help students understand the ecology of Taiwanese macaques and learn how to respond appropriately when encountering them, as they are commonly seen on campus.

Cultural Trip & Company Visit

Visit cultural destinations and local businesses to explore different aspects of traditional and modern Taiwan.
